!**

**Kahoot!**

@getkahoot

**Create a fun learning game in minutes or choose from millions ready to play or adapt.**

**Works on any device with an internet connection.**

**Zero setup time, no player accounts required and one-click gameplay.**

**Connect and play in realtime with others in 180+ countries.**

**Fosters social learning and deepens pedagogical impact.**

**It's free to create and play and always will be!**

*Inspiring*

ways to

**Kahoot!**

**K!**

## Quiz

# Introduce new concepts

Create a kahoot to:

- Kick-off a lesson
- Preview content
- Include instructional imagery or videos

Some Kahoot!ers call this a 'Blind Kahoot'!

Quiz

# Formative assessment

Create a kahoot to:

- Test personal knowledge
- Evaluate understanding

**Quiz**

# **Review, revise and reinforce**

- **Revise and recap topics**
- **Reinforce knowledge**
- **Pre-assess and practice before exams**

**Revision just got twice as nice!**

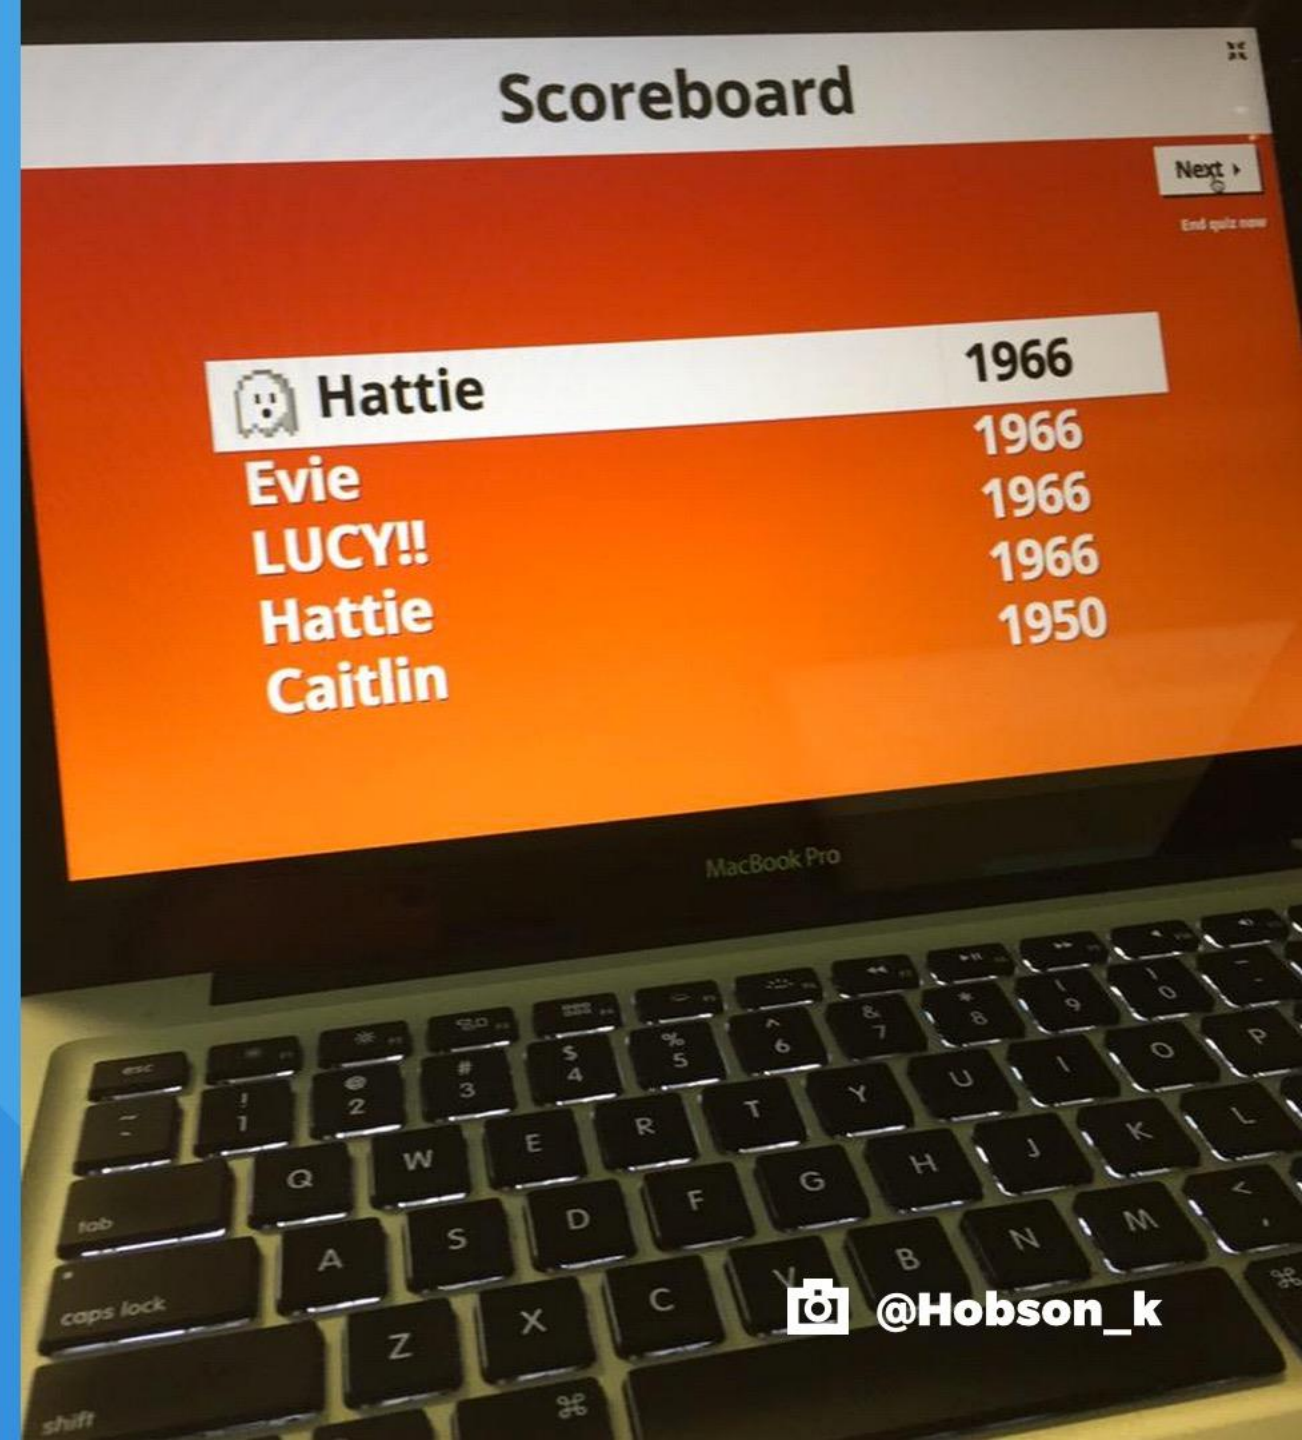

Quiz

# Challenge past performance

Use **'Ghost Mode'** to:

- Play against your previous score... or someone else's!
- Challenge knowledge
- Assess progress
- Reinforce through repetition

 @Hobson\_k

Quiz

# Join the global classroom!

- Play with classrooms in over 180 countries
- Use screensharing to play in real time
- #GlobalClassroom on Twitter is a great place to meet other classrooms to play with

 @MrsSarahBarnett

Quiz

# Re-energize and reward

**Create a kahoot to:**

- Break the ice
- Re-energize a room
- Reward good behavior
- Have a little fun!

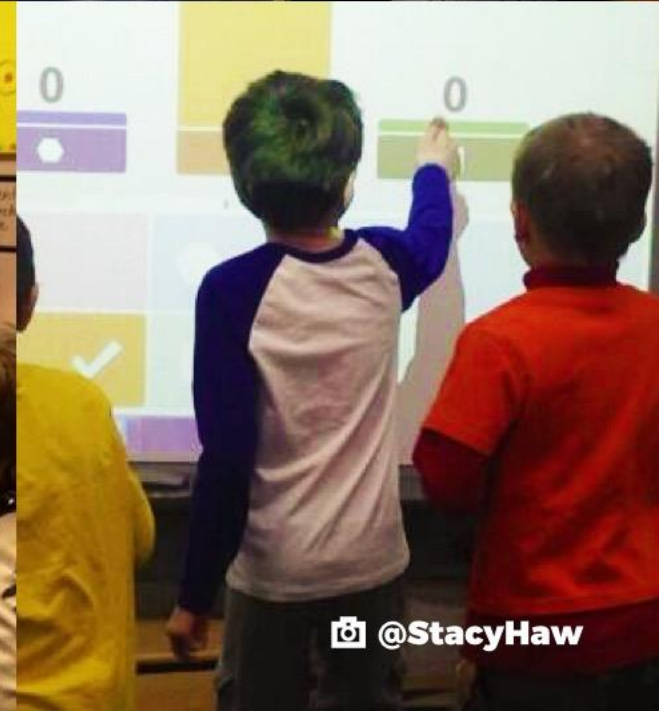

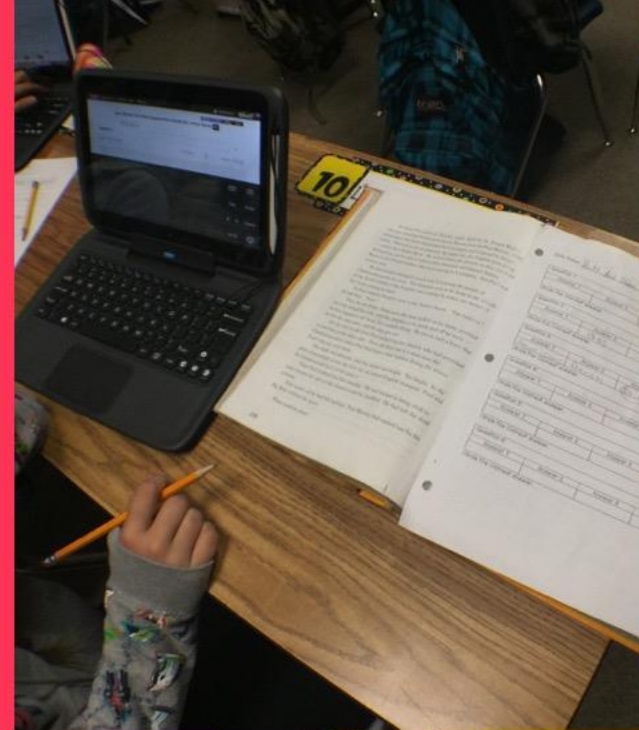

**Quiz/Survey/Discussion**

# Turn learners into leaders

**Challenge students to create their own kahoots:**

- Individually or in groups
- Deepen understanding, mastery and purpose

**Close the loop on learning!**

**Survey/Discussion**

# Surveys and discussion

**Create a kahoot to:**

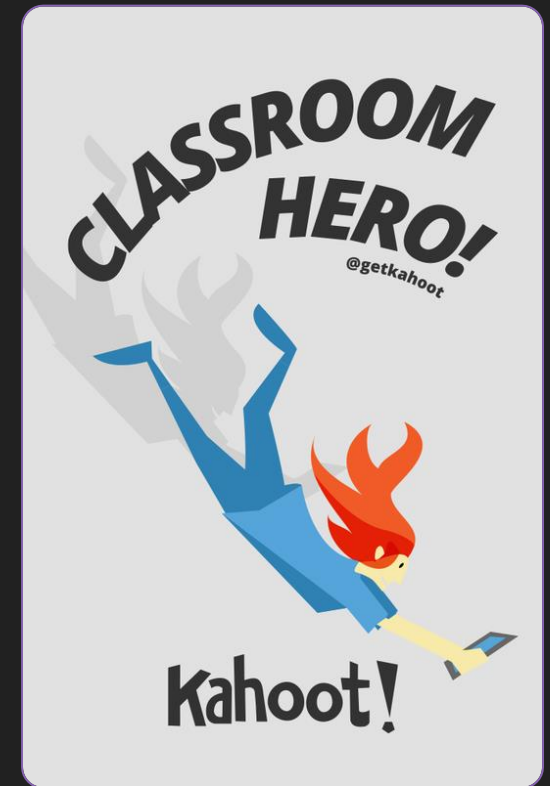

- Survey opinions
- Facilitates discussion
- Initiate debate

**Think beyond the quiz!**
